

Opportunity at Games2Win!

About Us:

Games2win is a top 20 online games business in the world as ranked by comScore. We reach over 25 million unique users a month via our properties www.games2win.com , www.gangofgamers.com , and our in-game ad network www.inviziads.com

Our games are enjoyed by audiences from countries like the USA, EU and BRIC.

Games2win is co-founded by Alok Kejriwal (digital serial entrepreneur of contests2win.com and mobile2win-(acquired by Disney)) and Mahesh Khambadkone – a gaming technocrat. The business is funded by blue chip Venture capital firms - Clearstone Venture Partners and Silicon Valley Bank.

What's the opportunity?

Position: Product head –Financial Games

Games2win will soon be launching a large stand-alone website and Facebook game that will simulate virtual stock trading, to allow players to trade Indian and International stock markets using virtual cash.

Reporting into:

Mahesh Khambadkone (COO)

Job Descriptor:

We need someone who is familiar with financial (stock) trading in the real world who can easily blend practical knowledge & mock simulations into running and managing the stock game. Exposure to the Internet medium is important. The key responsibility areas would be:

- Taking charge of the stock trading website as the ‘ product owner’ and ensuring 100% performance.
- Defining the core objectives of the events on the site for the consumers

- why, what, how and when (e.g. what tournaments to organize, what events to organize for customer acquisition and customer retention, how to determine winners for each event, etc.)
- Keeping a close eye on consumer feedback and financial industry trends, and translating the same into product enhancements.
- Working with the tech and production teams on updates and new releases.
- Working within pre-defined budgets as regards development, maintenance and fulfillment management (prizes, etc.).
- Measuring website performance using industry metrics and reporting the same to the internal team and management.

Work Experience and Education

We are looking at Commerce Graduates with a working experience of about 3-4 years in the trading space. Candidates with higher qualifications are more than welcome.

Salaries and ESOPs

Games2win likes to meet candidates and then offer them compensation basis their individual experience and passion.

Growth and prospects

This is a huge opportunity for someone who wants to associate with the exciting new industry of Online Gaming. The scope to build a large and popular gaming destination as a website and a facebook app is a big opportunity for someone who recognizes how social and Internet media is set to dominate the world. This will be the beginning of a series of large format games that we are planning. You will be supported by an organization that thrives on creativity, respects reliability and is instilled with innovation.

The candidate can vertically grow into key management positions as he/she scales up.
