About Games2win:

Games2win – Based in Mumbai and San Francisco is a gigantic casual games company, operating across a global footprint, leveraging its own & partner IP to create an entertaining gaming experience.

The Company has clocked 110 million game downloads across the iTunes, Android, Windows and Kindle platforms. Some of our games – Parking Frenzy, High School Driving Test, Star Fashion Designer, Fab Tattoo Design Studio & Fashion Diva have topped the global app charts. We own over 50 proprietary mobile games and an extremely strong DAU and MAU user base (80% outside of India). All our game downloads are generated organically, without ANY advertising support or paid installations.

Top investors such as Clearstone Venture Partners, Nirvana Venture Advisors and Silicon Valley Bank have funded G2W. The founders of G2W Inc. are Alok Kejriwal – a Serial Entrepreneur and Mahesh Khambadkone – an Online Gaming Specialist.

Next Steps:

If this job interests you, then download and play our game "food truck rush" (Android available here - <https://play.google.com/store/apps/details?id=com.games2win.foodtruck>)

We are not too excited by the Art of the game.

As a graphics artist, please:

- Re-create 2 screens of any part of the following game assets (Game Icon, Introduction screen, game serving screens, end screens) as your improvement idea and send them to us.

(Ps - do not recreate the driving screens - they are in 3D mode and we do not want art inputs on the same)

Best of Luck!

Send your thoughts with your introduction and expectations to: hr@games2win.com

Remuneration:

As a practice, we have typically matched candidates existing packages + ADDED on lucrative performance incentives and of course ESOP's.*

***In the exit of mobile2win China to Disney, and when [Nirvana Venture Funds invested into Games2win](#) – the group has now a proven track record of demonstrating how valuable its company ESOPs can be.**

The idea is to make the candidate actually take an ownership role and then provide additional compensation on performance.
